

## *Come to Me*

A "Word of the Lord"  
through and to Pastor Tom Marxen, 07/30/04.

---

How far are you willing to go to see the beautiful things?  
The rare, exquisite,.. the unique,  
The deep things  
That nourish and replenish your soul.

What are you willing to leave behind?

What things are you willing to do without  
For the sake of the journey  
For the sake of the treasure that is already there, waiting for you  
To see,  
To possess,  
And have welded and woven into the fabric of your Life?

Gold, crimson, azure blue  
Seashore waves that calm and reassure...  
Strength as stone, unyielding.

It will come out of you after it goes in, and they will know that it is Me,  
And be attracted and changed because,

I AM GOOD.  
AND I AM GOOD FOR YOU.

It requires strength and effort to get to this place -  
The destination is worth the price.  
Spend your labor to enter this resting place, a Sabbath apart.  
And intimate,  
And quiet,  
And satisfied,  
And expected throughout the climb.

The strength that has been given to your legs is given so that you would climb  
And attain  
Succeed.

The disease has been driven away so that infirmity cannot withhold you.

Your wealth has been multiplied so that poverty can no longer  
keep you in short supply.

Spend your money wisely -  
- on treasure that has no capacity to fade or fail.

Will you come as far as the crowds?

Those who are set apart, who come to see my treasure?  
They eat to fullness quickly, and they are satisfied,  
Contented with only a little  
Of REAL TREASURE.

Comfortable Love.

There are many who come to that place - Out of LOVE they have come,  
They have received,  
They recognize one another, and it is a good and pleasant land.  
It is a Land of Life.  
But it is not the Land of my Riches and My Wealth.

Come TO ME --- ---OUTSIDE the CAMP.

Come TO ME-- --- with Discipline and Freedom.

Freedom to believe what you see Here.  
Freedom to believe the Desires of your Heart --  
--Are Real and True.

To be fulfilled in Your days,  
In Your time,  
All of it.

Come TO ME

Come

Come to the Place

Where the others will not come -  
Without care, or worry, or judgment against them

In their own time I will Call them  
By their Names, I will Call them

And in you, they will see ME--

-- if you Come now.

They will see ME as never before, and they will be stirred to LIFE,  
To seek ME with all their heart.

If you will

Come TO ME

Come TO ME Now.

And spend all that I have given you.

I will never leave you short handed

My well is deep and my mountain is deeper  
than any imagination, or mine of treasure.

My Secrets are Deep Treasure,

Dig deeply,

Relentlessly,

Spare not for the labor,

I will sustain you as you dig.

How far will you go?

I will take you there.

Come TO ME,

It is My pleasure to walk with you alone,

And fill you,

Transform you,

In the cool of one short evening,

We will Speak to one another

Our Words will be Heard,

And it will be just as we have Spoken--

--and Agreed.
